	Profile Baseline
	Hydrographic Feature
	Base Flood Elevation Line (BFE)
	Limit of Study
	Jurisdiction Boundary

NOTES TO USERS

For information and questions about this map, available products associated with this FIRM including historic versions of this FIRM, how to order products or the National Flood Insurance Program in general, please call the FEMA Map Information eXchange at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA Map Service Center website at <http://msc.fema.gov>. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or obtained directly from the website. Users may determine the current map date for each FIRM panel by visiting the FEMA Map Service Center website or by calling the FEMA Map Information eXchange.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM Index. These may be ordered directly from the Map Service Center at the number listed above.

For community and countywide map dates refer to the Flood Insurance Study report for this jurisdiction.

To determine if flood insurance is available in the community, contact your insurance agent or call the National Flood Insurance Program at 1-800-638-6620.

Base map information shown on this FIRM was provided in digital format by multiple agencies. The Capital Area Council of Governments (CAPCOG) provided base transportation and city limit information in digital format dating from 2002, 2004, and 2007. The City of Horseshoe Bay provided city limit information in a 2007 dated digital AutoCAD file. The Texas Natural Resources Information System (TNRIS) provided the Stratmap County Boundaries in digital format, dated 2005. The United States Geological Survey (USGS) provided 7.5-Minute Series Topographic Maps, dated 1989, and a digital version of the National Hydrography Dataset, dated 2005. LIDAR and contour data from 2007 were provided by the Lower Colorado River Authority (LCRA). The National Oceanic and Atmospheric Administration (NOAA) National Geodetic Survey (NGS) provided permanent bench mark data sheets from 2002.
