NOTES TO USERS

For information and questions about this map, available products associated with this FIRM including historic versions of this FIRM, how to order products or the National Flood Insurance Program in general, please call the FEMA Map Information Exchange at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA Map Service Center website at <http://msc.fema.gov>. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or obtained directly from the website. Users may determine the current map date for each FIRM panel by visiting the FEMA Map Service Center website or by calling the FEMA Map Information Exchange.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM index. These may be ordered directly from the Map Service Center at the number listed above.

For community and countywide map dates refer to the Flood Insurance Study report for this jurisdiction.

To determine if flood insurance is available in this community, contact your insurance agent or call the National Flood Insurance Program at 1-800-638-6920.

Base map information shown on the FIRM was provided in digital format by the Pueblo County GIS Department. The digital orthophotography was collected by the U.S. Department of Agriculture Farm Service Agency. The U.S. Department of Agriculture Farm Service Agency imagery was flown in 2013 and was produced with a 1-meter ground sample.

ATTENTION: The flood hazard data on this FIRM panel is affected by a levee, dike or other structure that has not been shown to comply with Section 65.10 of the NFIP Regulations. As such, this FIRM panel will be revised at a later date to update the flood hazard information associated with this structure.

The flood hazard data shown on this map has been re-published from the previous effective (historic) FIRM for this area after being converted from NGVD 29 to NAVD 88.
