Base Map information shown on this FIRM was derived from multiple sources. The FEMA National Flood Hazard Layer (NFHL) data provided base transportation and city limit information, 2014. The North Central Texas Council of Governments (NCTCOG) provided base map data, 2005 - 2010. The Texas Natural Resources Information System (TNRIS) provided the Texas Strategic Mapping Program (StratMap) GIS data for city and corporate boundaries, and transportation layers dated 2014. The City of Grand Prairie provided road files dated 2014. Additional information was photogrammetrically compiled at a scale of at least 1:24000 from aerial photography dated 2013.

ACCREDITED LEVEE: Check with your local community to obtain more information, such as the estimated level of protection provided (which may exceed the 1-percent-annual-chance level) and Emergency Action Plan, on the levee system(s) shown as providing protection for areas on this panel. To mitigate flood risk in residual risk areas, property owners and residents are encouraged to consider flood insurance and floodproofing or other protective measures. For more information on flood insurance, interested parties should visit the FEMA website at <http://www.fema.gov/business/nfp/index.shtm>.
